Class Newsletter for R/1 GR

Autumn Term 2026

A very big welcome to those who are new to school back and welcome back to the families from last year! It is great to see all of the children looking so smart and ready to learn!

Reception Parents– we will be holding an information evening to give you an insight into the school day/ year and provide an opportunity to answer any questions. Please watch out for information about this!

You can really help your child by….

- Making sure all uniform is labelled with your child's full name, including coats and shoes.
- Making sure your child has their PE kit in school all the time ready for PE, we will send it home every half term– our PE day is Wednesday.
- Please continue to bring your child to school on time as this ensures we get the best start to our fun day of learning!
- Homework will be sent on Friday and collected in school the following week, if you need extra time with this please let us know.
- Your child will soon bring home a reading book. Please make sure this is in their wallet everyday. These will be changed on a Monday.
