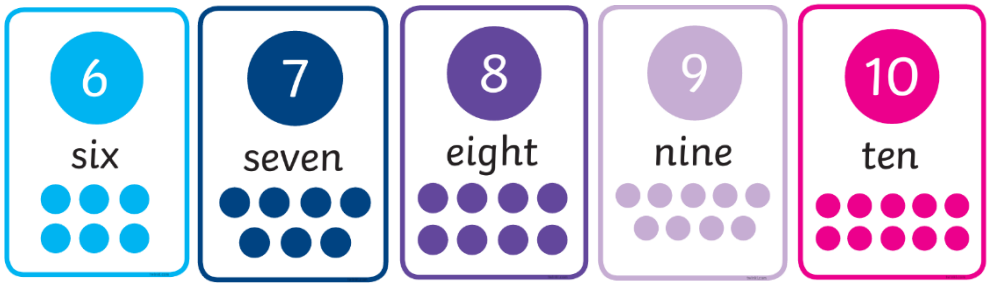
Key Instant Recall Facts

EYFS: Autumn 2

Target: I know number names to 10 and can begin to form them.

By the end of the half term, children should know the following facts. The aim is for the children to recall these facts instantly when asked.



1 2 3 4 5 6 7 8 9 10

Key Vocabulary

Six

Seven

Eight

Nine

Ten

Top Tips

The secret to success is practising little and often! These facts can be practised anytime and anywhere this can be done on the journey to school, in the bath or waiting for the bus. You do not need to practise them all at once, you may choose a fact of the day/week.

Use practical resources

- Counting objects around the home, making piles of 0, 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, and then counting them in order to 10 and back…….use sweets, lego, fruit, stones, leaves etc.
- Looking for numbers up to 10 around the home and when you are out and about…..can they count on or back from that number?
- What can they do in 10 seconds? Take it in turns with your child to count while the other performs the task, e.g star jumps, building a lego tower etc.
